PRESS RELEASE

Hilco Valuation Services Europe Hires Tim Salter

Hilco Valuation Services Europe (HVSE) is delighted to announce the appointment of Tim Salter as Director of the Machinery and Business Assets Department.

Tim has been carrying out valuations and disposals of plant and machinery and business sales, predominantly for corporate insolvency clients in London and on the South Coast for over 25 years. He has experience in most industry sectors and, whilst working primarily on industrial plant and machinery projects, Tim retains an agricultural specialism and has recently been involved in agricultural receiverships and liquidations.

Commenting on the appointment, Chris Hall, Chief Executive Officer, said “I am delighted that Tim has chosen to join HVSE and look forward to our continued expansion with the opening of a Southampton office.”
